education

- 1989 **Ph.D. General Linguistics**, *Free University*, Amsterdam, The Netherlands.
supervised by G. E. Booij and R. D. Gill
- 1985 **Doctoraalexamen General Linguistics (\simeq M.A.)**, *Free University*, Amsterdam, The Netherlands.
- 1983 **Kandidaatsexamen Theology (\simeq B.A.)**, *Free University*, Amsterdam, The Netherlands.
- 1979 **General Linguistics**, *Summer Institute of Linguistics*, High Wycombe, UK.

professional experience

- 2011-pres **Professor of Quantitative Linguistics**, *Eberhard Karls Universität*, Tübingen, Germany.
- 2007-2011 **Professor of Quantitative Linguistics**, *University of Alberta*, Edmonton, Canada.
- 2006-2007 **Professor of Quantitative Linguistics**, *Radboud University*, Nijmegen, The Netherlands.
- 1998-2005 **Postdoctoral Fellow**, *Radboud University*, Nijmegen, The Netherlands.
- 1990-1998 **Member of Scientific Staff**, *Max-Planck-Institut für Psycholinguistik*, Nijmegen, The Netherlands.

- 1989-1990 **Postdoctoral Fellow**, *Free University*, Amsterdam, The Netherlands.
1985-1988 **Teaching Fellow**, *Free University*, Amsterdam, The Netherlands.
sum 1980 **Teaching Assistant**, *Summer Institute of Linguistics*, High Wycombe, UK.

awards

- 2023 **Honorary doctorate**, *University of Tartu*, Tartu, Estonia.
2022 **ERC Advanced Grant SUBLIMINAL**, *European Research Council*, 2.5 million Euro.
2017 **ERC Advanced Grant WIDE**, *European Research Council*, 2.5 million Euro.
2012 **Elected member of the Academia Europaea**.
2011 **Alexander von Humboldt research award**, *Alexander von Humboldt Foundation*, Germany, 5 million Euro.
2011 **Fellow of the Centre for Advanced Study at the Norwegian Academy of Science and Letters**.
2011 **Research award Faculty of Arts**, *University of Alberta*, Edmonton, Canada.
2005 **KNAW Muller chair**, *Royal Netherlands Academy of Arts and Sciences*, Amsterdam, The Netherlands.
2004 **Erskine Fellowship**, *University of Canterbury*, Christchurch, New Zealand.
1998 **Pionier career advancement award**, *Netherlands Organization for Scientific Research (NWO)*, 1 million Euro.

externally funded research and research collaboration

- 2024-2027 **German Research Council (DFG)**, “Complex words in context”, University of Tübingen (*Dr. Tino Sering, Principal Investigator Prof. Dr. R. Harald Baayen*).
- 2019-2021 **Center for Interdisciplinary Research (ZiF)**, Cooperation Group “Statistical Models for Psychological and Linguistic Data”, University of Bielefeld (*Convenors: Reinhold Kliegl (Potsdam, GER), Harald Baayen (Tübingen, GER), Douglas Bates (Madison, USA)*).
- 2019-2022 **German Research Council (DFG), under Germany’s Excellence Strategy**, “Machine Learning of Lexical Semantics with Image Mining”, Cluster of Excellence "Machine Learning: New Perspectives for Science", University of Tübingen (*Principal Investigators Prof. Dr.-Ing. Hendrik P. A. Lensch, Prof. Dr. R. Harald Baayen*).
- 2019-2022 **German Research Council (DFG), part of a multi-site research unit (led by Prof. Dr. Ingo Plag, University of Düsseldorf)**, “The articulation of morphologically complex words”, University of Tübingen (*Dr. Fabian Tomaschek, Motoki Saito M. A., Principal Investigator Prof. Dr. R. Harald Baayen*).
- 2019-2022 **Humboldt Research Fellowship for Experienced Researchers**, to *Dr. Cristóbal Pagán Cánovas*, University of Tübingen.
Host.
- 2018-2019 **DAAD scholarship for a Short-Term Research Grant**, to *PhD Candidate Motoki Saito*, University of Tübingen.
Host.
- 2016-2018 **German Research Council (DFG), part of a multi-site research unit (led by Prof. Dr. Ingo Plag, University of Düsseldorf)**, “The articulation of morphologically complex words”, University of Tübingen (*Dr. Fabian Tomaschek, Principal Investigator Prof. Dr. R. Harald Baayen*).
- 2016-2020 **Education Fund Management Institution, Indonesia (Lembaga Pengelola Dana Pendidikan) PhD scholarship**, to *Karlina Denistia Hudijantoro*, University of Tübingen.
Host.
- 2015-2017 **Alexander von Humboldt Foundation post-doctoral fellowship**, to *Dr. Koji Miwa*, University of Tübingen.
Host.

- 2014-2015 **British Academy Skills Acquisition Award**, to *Dr. Melanie Bell*, Anglia Ruskin University, funding research visits to Tübingen.
Host.
- 2014-2015 **British Academy Skills Acquisition Award**, to *Dr. Cecile De Cat*, University of Leeds, funding research visits to Tübingen.
Host.
- 2014-2015 **British Academy Skills Acquisition Award**, to *Dr. Dagmar Divjak*, University of Sheffield, funding research visits to Tübingen.
Host.
- 2013-2014 **British Academy Skills Acquisition Award**, to *Dr. Lotte Meteyard*, University of Reading, funding research visits to Tübingen.
Host.
- 2012-2013 **Dutch Research Council (NWO) ‘Rubicon’ post-doctoral fellowship**, to *Dr. Martijn Wieling*, “Investigating language variation physically”, University of Tübingen.
Host.
- 2008-2010 **Social Sciences and Humanities Research Council (SSHRC) Standard Research Grant**, “Lexical processing in discourse: a corpus-based approach”, University of Alberta, Edmonton.
- 2003-2005 **Dutch Research Council (NWO) Collaborative grant ‘NWO Klein Programma’**, “Morphophonological adaptation in spoken Dutch”, University of Nijmegen.

computer skills

Operating systems	Linux
Office suites	OpenOffice
Programming skills	AWK, C, TCL-TK, PYTHON, R
Mark-up languages	L ^A T _E X, HTML
Scientific software	R

languages

Dutch	native
English	near native
German	intermediate
French	intermediate
Greek	reading knowledge
Latin	reading knowledge
Akkadian	reading knowledge
Tiberian Hebrew	reading knowledge

PhD students

Xiaoyun Jin, supervised together with Ernestus, M., University of Tübingen.

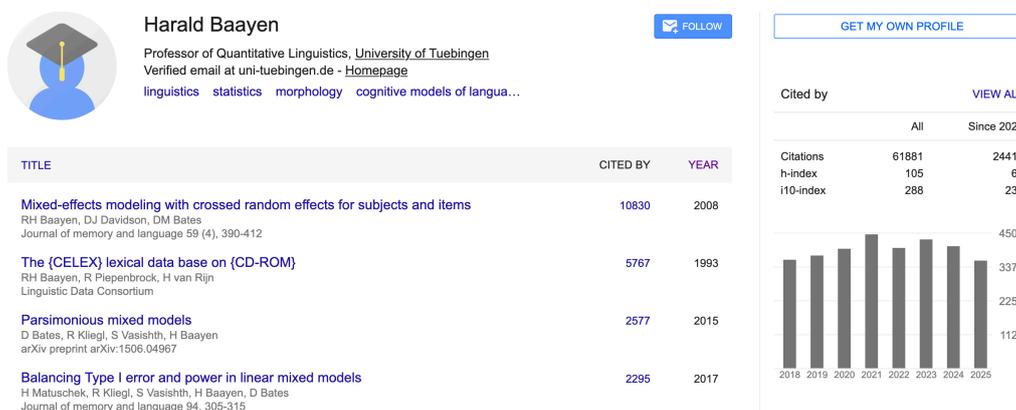

Yuxin Lu, supervised together with Mittag, A., University of Tübingen.

- 2025 **Mihi Kang**, *Morphological Processing of Korean Verb Forms in Visual Word Recognition*, supervised together with Hennecke, I., University of Tübingen.

- 2024 **Maria Heitmeier**, *Mappings in the Discriminative Lexicon Model*, supervised together with Lensch, H., University of Tübingen.
Hassan Shahmohammadi, *Language Grounding in Vision*, supervised together with Lensch, H., University of Tübingen.
- 2023 **Motoki Saito**, *Enhancement effects of frequency: An explanation from the perspective of Discriminative Learning*, supervised together with Tomaschek, F., University of Tübingen.
Tino Sering, *Predictive Articulatory speech synthesis Utilizing Lexical Embeddings (PAULE)*, supervised together with Butz, M., University of Tübingen.
Elnaz Shafaei Bajestan, *LDL-AURIS: a wide model of isolated, inflected spoken word recognition*, University of Tübingen.
- 2021 **Tian Shen**, *Productivity of Adjectives in Chinese Adjective-Noun Compounding*, supervised together with Xu, Z., Shanghai Jiao Tong University.
- 2020 **Karlina Denistia**, *Quantitative studies on the Indonesian prefixes PE- and PEN-*, supervised together with Meurers, D., and L. A. Janda, University of Tübingen.
- 2018 **Kaidi Lõo**, *Words and Paradigms in the Mental Lexicon A Multi-Methodological Investigation of the Processing of Estonian Noun Inflection*, supervised together with Jarvikivi, J., University of Alberta.
- 2016 **June Sun**, *Lexical Processing in Simplified Chinese: An Investigation Using a New Large-Scale Lexical Database*, University of Tübingen.
- 2015 **Peter Hendrix**, *Experimental Explorations of a Discrimination Learning Approach to Language Processing*, University of Tübingen.
Kristina Geeraert, *Climbing on the bandwagon of idiomatic variation: A multi-methodological approach*, supervised together with Newman, J., University of Alberta.
- 2014 **Guangting Wang**, *Chinese compound processing in sentences with rapid serial visual presentation*, University of Alberta.
Hien Pham, *Visual processing of Vietnamese compound words: A multivariate analysis using corpus linguistic and psycholinguistic paradigms*, supervised together with Tucker, B., University of Alberta.
- 2013 **Philip Dilts**, *Emergence of wordlikeness in the mental lexicon: Language, population, and task effects in visual word recognition*, supervised together with Tucker, B., University of Alberta.
Koji Miwa, *Emergence of wordlikeness in the mental lexicon: Language, population, and task effects in visual word recognition*, supervised together with Bolger, P., University of Alberta.
- 2012 **Karen Keune**, *Explaining register and sociolinguistic variation in the lexicon: Corpus studies on Dutch*, supervised together with Hout, R. van, University of Nijmegen.
Martijn Wieling, *A Quantitative Approach to Social and Geographical Dialect Variation*, supervised together with Nerbonne, J., University of Groningen.
- 2011 **Laura Teddiman**, *An Experimental Investigation of Suffix Ordering in English*, University of Alberta.
Georgie Columbus, *Multiword units in sentence reading and unit presentation using ERP and eye movement data*, supervised together with Bolger, P., University of Alberta.
- 2010 **Karin Nault**, *Morphological therapy protocol*, supervised together with Libben, G., University of Alberta.
Wieke Tabak, *Semantics and (Ir)regular Inflection in Morphological Processing*, supervised together with Schreuder, R., and M. Ernestus, University of Nijmegen.
- 2008 **Laura Winther Balling**, *Morphological Effects in Danish Auditory Word Recognition*, supervised together with Bohn, O.-S., and S. Vikner, University of Aarhus, Denmark.
Victor Kuperman, *Lexical processing of morphologically complex words: an information-theoretical perspective*, supervised together with Schreuder, R., and M. Ernestus, University of Nijmegen, The Netherlands.

- 2007 **Mark Pluymakers**, *Frequency effects in the acoustic realization of morphologically complex words*, supervised together with Ernestus, M., and R. Schreuder, University of Nijmegen, The Netherlands.
Heidrun Bien, *On the production of morphologically complex words with special attention to effects of frequency*, supervised together with Levelt, W. J. M., University of Nijmegen, The Netherlands.
- 2004 **Rachel Kemps**, *Morphology in auditory lexical processing: sensitivity to fine phonetic detail and insensitivity to suffix reduction*, supervised together with Schreuder, R., and M. Ernestus, University of Nijmegen, The Netherlands.
- 2003 **Fermin Moscoso del Prado Martin**, *Paradigmatic structures in morphological processing*, supervised together with Schreuder, R., University of Nijmegen, The Netherlands.
- 2002 **Nivja de Jong**, *Morphological families in the mental lexicon*, supervised together with Schreuder, R., University of Nijmegen, The Netherlands.
- 2001 **Andrea Krott**, *Analogy in morphology: the selection of linking elements in Dutch compounds*, supervised together with Schreuder, R., University of Nijmegen, The Netherlands.

membership of professional organizations

- 2020 **Associated faculty of the International Max Planck Research School for Intelligent Systems (IMPRS-IS).**
- 2004 **Linguistic Society of America.**

editorial work

member of editorial board

- 2018-2022 **PLOS ONE.**
- 2009-2012 **Language, associate editor.**
- 2008-2010 **Journal of Experimental Psychology: Memory and Cognition.**
- 2008-2014 **Word Structure.**
- 2005-pres **The Mental Lexicon, editor-in-chief since 2021.**
- 2005-pres **Morphology.**
- 2004-pres **Corpus Linguistics and Linguistic Theory.**
- 2002-pres **Linguistics, associate editor since 2015.**
- 1997-2011 **Text, Speech and Language Technology.**
- 1996-2005 **Computers and the Humanities.**
- 1994-2002 **Journal of Quantitative Linguistics.**

additional refereeing for, e.g.

Aphasiology; Brain and Language; British Journal of Mathematical and Statistical Psychology; Computational Linguistics; Cognition; Cognitive Linguistics; Cognitive Psychology; English Language and Linguistics; Journal of the Acoustical Society of America; Journal of Cognitive Neuroscience; Journal of Memory and Language; Journal of Experimental Psychology: General/LMC; Journal of Phonetics; Journal of Semantics; Language; Language and Cognitive Processes; Language, Cognition, and Neuroscience; Language Learning; Language Resources and Evaluation; Lingua; Literary and Linguistic Computing; Mental Lexicon; Memory and Cognition; Morphology; Phonetica; PLOS ONE; Pragmatics; Proceedings of the National Academy of Sciences of the USA; Psychonomic Bulletin and Review; Psychological Methods; Psychological Review; Psychological Science; Quarterly Journal of Experimental Psychology; Royal Society Interface; Science; Scientific Studies of Reading; Speech Communication; Trends in Cognitive Science; Visual Cognition; Yearbook of Morphology; as well as for research councils in the USA, Belgium, Britain, Canada, ERC, Portugal, New Zealand, Germany, Austria, Israel, The Netherlands, and South Africa

organization of international meetings

- 04-2024 **Conference on Corpora for Language and Aging Research (CLARe6)**, *together with Beaman, K., who did most of the work*, Tübingen.
- 09-2023 **2nd Joint Workshop on Chinese Lexical Semantic Change (2nd NTü)**, *together with Hsieh, S.-K.*, Tübingen.
- 08-2022 **Virtual International Conference on Error-Driven Learning in Language (EDLL 2022)**, *together with Nixon, J., and F. Tomaschek, who did most of the work*, Tübingen.
- 01-2022 **Virtual Workshop on Morphology and Word Embeddings**, *Organized in collaboration with Brown, D., and Y.-Y. Chuang*, Tübingen.
- 03-2021 **Virtual International Conference on Error-Driven Learning in Language (EDLL 2021)**, *together with Nixon, J., and E. Shafaei-Bajestan, who did most of the work*, Tübingen.
- 11-2019 **The International Morphological Processing Conference (MoProc 2019)**, *together with Linke, M. and E. Shafaei-Bajestan*, Tübingen.
- 01-2017 **Workshop New Methods in Statistics**, Tübingen.
- 11-2015 **6th Conference on Quantitative Investigations in Theoretical Linguistics (QITL-6)**, *together with Jäger, G., J. Wahle and M. Köhler*, Tübingen.
- 03-2015 **Workshop Vector Semantics**, Tübingen.
- 09-2014 **Advances in Visual Methods for Linguistics (AVML)**, *(Tomaschek, F. did most of the work)*, Tübingen.
- 08-2014 **Workshop Estonian Morphology**, Tübingen.
- 06-2013 **Symposium Discriminative learning and morphology**, *(at the 8th International Morphological Processing Conference)*, Cambridge.
- 11-2012 **Generalized Additive Modeling/Mixed-Effects Regression Workshop (gam-mer)**, *(Organized in collaboration with Wieling, M.)*, Tübingen.
- 10-2009 **American Association for Corpus Linguistics (ACL 2009)**, *(Newman, J. did most of the hard work)*, University of Alberta, Edmonton.
- 10-2008 **6th International conference on the mental lexicon**, *(Contributed as a member of a team in which Libben, G. and E. French did almost all the work)*, Banff.
- 08-2006 **Architectures and mechanisms of language processing (AMLaP 2006)**, *(Organized in collaboration with McQueen, J. and M. Ernestus)*, Nijmegen.
- 05-2003 **Fifth International Quantitative Linguistics Conference (QUALICO 2003)**, *(Organized in collaboration with Tweedie, F. J. and S. Embleton)*, Athens, Georgia.
- 06-2001 **Morphological Processing**, *International workshop organized at the Max Planck Institute for Psycholinguistics*, Nijmegen.
- 01-2001 **Affix ordering and productivity**, *International workshop organized at the Max Planck Institute for Psycholinguistics*, Nijmegen.
- 08-2000 **Fourth International Quantitative Linguistics Conference (QUALICO 2000)**, *Organized in collaboration with Tweedie, F. J. and S. Embleton*, Prague.
- 11-1997 **What spelling changes**, *Workshop, organized in collaboration with Neijt, A. and R. Schreuder at the Max Planck Institute for Psycholinguistics*, Nijmegen.
- 06-1995 **Morphology: why, how, when, when not, and why not? Towards an integrated theory of morphology in the mental lexicon**, *Workshop, organized in collaboration with Schreuder, R. at the Max Planck Institute for Psycholinguistics*, Nijmegen.

teaching experience

A. undergraduate courses

- 2011-pres **Linguistics for Cognitive Science**, Eberhard Karls University, Tübingen, Germany.

- 2012-pres **Mathematics for Linguistics: Statistics**, Eberhard Karls University, Tübingen, Germany.
- win 2011 **Introduction to Linguistics**, Ling 102, University of Alberta, Canada.
- spr 2009 **Introduction to Human language**, Ling 100, University of Alberta, Canada.
- fall 2009 **Language and evolution**, Ling 499, University of Alberta, Canada.
- sum 2004 **Morphology**, University of Canterbury, New Zealand.
- fall 1987 **Introduction to General Linguistics**, Free University, Amsterdam, the Netherlands.
- sum 1980 **Practical Phonetics**, Summer Institute of Linguistics, High Wycombe, UK.

B. graduate courses

- sum 2026 **The mental Lexicon**, Eberhard Karls University, Tübingen, Germany.
- win 2025 **Animal and plant communication**, Eberhard Karls University, Tübingen, Germany.
- 2011-pres **Introduction to Cognitive Models of Language Processing**, Eberhard Karls University, Tübingen, Germany.
- sum 2012 **Causality in Language**, Eberhard Karls University, Tübingen, Germany.
- 2012-pres **Regression Modeling Strategies for the Analysis of Linguistic and Psycholinguistic Data**, Eberhard Karls University, Tübingen, Germany.
- win 2011 **Quantitative methods**, Ling 603, University of Alberta, Edmonton, Canada.
- fall 2010 **Morphology**, Ling 608, University of Alberta, Edmonton, Canada.
- spr 2010 **Experimental Methods in Linguistics**, University of Sheffield, Sheffield, UK.
- win 2009 **Computational Modeling**, Ling 608, University of Alberta, Edmonton, Canada.
- win 2008 **Corpus Linguistics**, Ling 619, University of Alberta, Edmonton, Canada.
- fall 2008 **Methods in experimental psycholinguistics**, Ling 615, University of Alberta, Edmonton, Canada.
- fall 2007 **Statistical Methods**, Ling 683, University of Alberta, Edmonton, Canada.
- fall 2006 **Experimental Morphology**, Radboud University, Nijmegen, the Netherlands.
- spr 2006 **Linguistic Data**, Radboud University, Nijmegen, the Netherlands.
- spr 1989 **Field Methods**, Free University, Amsterdam, the Netherlands.
- fall 1988 **Translation Theory**, Free University, Amsterdam, the Netherlands.
- spr 1987 **Language Typology**, Free University, Amsterdam, the Netherlands.
- spr 1985 **Syntax**, Free University, Amsterdam, the Netherlands.

C. post-graduate courses

- sum 2025 **Generalized Additive Mixed Models for Linguistic Data**, *Tutorial Linguistics Society of America Summer Institute*, University of Oregon, Eugene, USA, (virtual).
- sum 2025 **The Discriminative Lexicon Theory, Implementation in the Julia Package JudiLing, and Applications**, *Workshop Linguistics Society of America Summer Institute*, University of Oregon, Eugene, USA, (virtual).
- sum 2025 **LDL High**, *MEDAL Summer School in Computational Modelling*, University of Birmingham, Birmingham, UK, (virtual).
- win 2024 **Embeddings**, *Workshop Department of Taiwan Culture, Languages and Literature*, National Taiwan Normal University, Taipei, Taiwan.
- fall 2024 **Generalized additive model**, *European Master's in Clinical Linguistics (EMCL) Workshop*, University of Eastern Finland, Joensuu, Finland.
- fall 2024 **Using word embeddings in linguistic analysis**, *Workshop Institute of Estonian and General Linguistics*, University of Tartu, Tartu, Estonia.

- fall 2023 **Modelling lexical processing and introducing the JudiLing package**, *Methodological Excellence in Data-Driven Approaches to Linguistics (MEDAL) Methods Workshop*, University of Tartu, Tartu, Estonia.
- fall 2023 **Linguistic Statistics**, *course at the University of Vienna*, University of Vienna, Vienna, Austria.
- spr 2023 **Discriminative learning and the lexicon: NDL and LDL**, *Spring Training in Experimental Psycholinguistics school (STEP2023)*, University of Alberta, Edmonton, Canada, together with Chuang, Y. Y., and Heitmeier, M. (virtual).
- spr 2022 **Discriminative Learning and the Lexicon: NDL and LDL**, *Groningen Spring School Cognitive Modeling*, University of Groningen, Groningen, Netherlands, together with Chuang, Y. Y., and Heitmeier, M..
- fall 2021 **An introduction to data analysis with the generalized additive model**, *DFG Research Training Group Statistical Modeling in Psychology (SMiP)*, University of Mannheim, Mannheim, Germany, together with Chuang, Y. Y., and Hendrix, P. (virtual).
- spr 2021 **An introduction to vector space morphology and morphological processing using linear discriminative learning (LDL)**, *Spring Training in Experimental Psycholinguistics school (STEP2021)*, University of Alberta, Edmonton, Canada, together with Chuang, Y. Y., Luo, X., Heitmeier, M., and Shafaei-Bajestan, E. (virtual).
- spr 2021 **An introduction to data analysis with the generalized additive model**, *Spring Training in Experimental Psycholinguistics school (STEP2021)*, University of Alberta, Edmonton, Canada, together with Chuang, Y. Y., and Hendrix, P. (virtual).
- spr 2020 **Statistics and computational modeling**, *Virtual Master Class in Quantitative Linguistics*, University of Tartu, Estonia, together with Chuang, Y. Y. (virtual).
- spr 2019 **Modeling lexical processing with Linear Discriminative Learning: A practical introduction to computational Word and Paradigm Morphology with the WpmWithLdl R package**, *Spring Training in Experimental Psycholinguistics school (STEP@CCP 2019)*, University of Alberta, Edmonton, Canada, together with Chuang, Y. Y..
- win 2019 **The WpmWithLdl package for R: A tutorial introduction to modeling with linear discriminative learning**, *Theoretical and Applied Linguistics workshop*, University of Cambridge, Cambridge, UK, together with Chuang, Y. Y..
- sum 2018 **Computational modeling of lexical processing with naive discriminative learning**, *12th Summer School of Linguistics (SSoL 2018)*, Charles University, Kroměříž, Czech Republic.
- spr 2018 **Computational modeling of lexical processing with naive discriminative learning**, *Spring Training in Experimental Psycholinguistics school (STEP@CCP 2018)*, University of Alberta, Edmonton, Canada.
- fall 2017 **Statistik für LinguistInnen**, *Statistische Linguistik*, University of Vienna, Vienna, Austria.
- fall 2017 **Hierarchical Linear Models - Regression Modeling Strategies for the Analysis of Linguistic and Psycholinguistic Data**, *Graduate School of Economic and Social Sciences (GESS)*, University of Mannheim, Mannheim, Germany.
- spr 2017 **Workshop On Random Effect Structures In The Modelling Of Language Data, taught with Arief Gusnanto**, *Language@Leeds*, University of Leeds, Leeds, UK.
- spr 2017 **Implicit Grammar: a discriminative perspective on language and language processing**, *Spring Training in Experimental Psycholinguistics school (STEP@CCP 2017)*, University of Alberta (lifesize video conference), Edmonton, Canada.
- win 2017 **Analysing Language Data: Thinking like a Quantitative Linguist**, *Interdisciplinary College (IK2017)*, Heinrich-Lübke-Haus, Günne, Germany.
- fall 2016 **An introduction to Generalized Additive Mixed Models**, *16th Speech Science and Technology Conference (SST2016) Tutorial Day*, Western Sydney University, Sydney, Australia.
- fall 2016 **Workshop Statistics in linguistic research**, *Institut für Romanistik*, University of Vienna, Vienna, Austria.

- sum 2016 **Workshop: Korpora und statistische Methoden**, *Im Rahmen des Oberseminars "Aktuelle Themen der Romanischen Sprachwissenschaft"*, Eberhard Karls University, Tübingen, Germany.
- sum 2016 **Masterclass: "GAMMs"**, *HRI Visiting European Fellow Programme*, University of Sheffield, Sheffield, UK.
- spr 2016 **Implicit Grammar**, *Spring Training in Experimental Psycholinguistics school*, University of Alberta, Edmonton, Canada.
- spr 2015 **Naive discriminative learning (NDL) and vector semantics**, *First International Quantitative Morphology Meeting (IQMM1) Tutorials*, University of Belgrade, Belgrade, Serbia.
- spr 2015 **Naive discriminative learning**, *Spring Training in Experimental Psycholinguistics school*, University of Alberta, Edmonton, Canada.
- fall 2014 **Naive discriminative learning**, (*Autumn school Methods in Language Comprehension*), University of Trento, Rovereto, Italy.
- sum 2014 **Networks summer school Words: structure, meaning, acquisition, processing**, University of Trondheim, Trondheim, Norway.
- fall 2012 **An introduction to statistical analysis with R**, University of Tartu, Tartu, Estonia.
- spr 2012 **Introduction to statistical modeling with R**, University of Leeds, Leeds, UK.
- spr 2006 **An introduction to statistical analysis with R**, Max Planck Institute for Psycholinguistics, Nijmegen, the Netherlands.
- sum 2005 **Storage and computation in the mental lexicon: an exemplar-based approach**, *Summer school of the Linguistic Society of America*, Massachusetts Institute for Technology, Cambridge MA., USA.
- fall 2004 **Soft computing: An introduction to R as a statistical programming environment for the analysis of quantitative linguistic data**, *Graduate School of Language Technology in Finland*, Helsinki, Finland.
- sum 2004 **On the teaching staff and external lecturer**, *Fourth annual research meeting: Esrc and Dfg joint summer school in computational linguistics and psycholinguistics*, Edinburgh, UK.
- sum 2001 **Morphology in the Mental Lexicon**, *Lot summer school*, Utrecht, the Netherlands.
- sum 1998 **Morphology in the Mental Lexicon**, (*NorFA summer school, languages, minds, and brains*), Mekrijärvi, Finland.
- win 1997 **Lexical Statistics**, *Lot Winter school*, Nijmegen, the Netherlands.
- sum 1997 **Morphology and the Mental Lexicon**, *Elsnet summer school*, Leuven, Belgium.
- sum 1994 **Introduction to lexical statistics**, (*University of Geneva*), Geneva, Switzerland.
- sum 1992 **The Mental Lexicon**, (*Dutch linguistic society summer school*), Nijmegen, the Netherlands.
- sum 1991 **Productivity**, (*Groningen graduate school*), Groningen, the Netherlands.
